**Hello from RCTV!** It's officially Springtime in Randolph! Hello everyone and welcome to this edition of RCTV Links. After a great winter sports season, things are again gearing up at RCTV. Springtime marks the end of the school year and all of the end-of-the-year activities are in full swing. From the *Randy Awards to High School Graduation*, RCTV and its volunteers will be there. We hope you've enjoyed the extensive television coverage. Special thanks, as always, to our terrific volunteers. RCTV is proud of all the work you do to capture the community spirit of the Town of Randolph.

**School Year's End** If you've been watching the Randolph Educational Channel 22 recently, you've probably noticed a lot of different events being covered by RCTV. **Sheila Swanwick** videotaped the Randolph High School production of *"A Mid Summer Night's Dream."* **Eric Estremera** brought us the *"Randy Awards,"* in which Randolph High School students receive awards for excellence in an Academy Awards style presentation. Again this year, RCTV brought home *Randolph High School Scholarship Night*. Shown Live on Channel 22, *Scholarship Night* awarded many graduating seniors with money to further their education. We applaud all of the Randolph High School seniors receiving scholarships and the entire class of 2003. Special thanks to RCTV volunteer, **Jill Chandler**, who helped RCTV bring this great event on to television.

**Upcoming Events-** Calling all Volunteers! Spring is just the start of the nice weather...and some exciting upcoming productions. On Sunday, June 8th, Randolph says goodbye to the Class of 2003 at the *Randolph High School Graduation*. RCTV will cover this event live from the Randolph High School football field beginning at 1:00pm. Any interested volunteers should call RCTV to sign up. Also starting in June is RCTV's coverage of the *"Concerts on the Gazebo."* Every Tuesday Night during the summer months, a great band plays at the Williams Gazebo on North Street. RCTV rolls out its television production van and brings these concerts to our viewers live on Channel 8. If you would like to be a part of these productions or would like to know more, contact our Program Director, **Anders Geering**. Finally, our most exciting production of the year, *Randolph's Night Before The 4th of July Parade and Fireworks*. From the first fire engine roaring down North Main St. to the last bang of the fireworks finale, this is one exciting day. RCTV brings you all the excitement of this event, live on Thursday, July 3rd, on Channel 8. Of course, we need volunteers help to make it all possible. Sign up early!

**Taste of Randolph 2003-** The community came together again this year for some tasty food, good times and to support a great cause. The *Taste of Randolph* brought together culinary treats from restaurants and chefs of Randolph and the surrounding communities. People came to the event to eat, drink and even learn how to make their own gourmet meals. RCTV was there to bring home the fun and check out all the new activities. RCTV reporter, **Jean Duddy** was on hand this year along with camera operator, **Paul Duddy, Jr.** Jean talked to chefs, sponsors and people enjoying their cuisine. Paul got some great shots of the tasty morsels and smiling people. They were so busy bringing the event home to our viewers that they barely got a chance to eat! Sponsored this year by the *Save Stetson Hall Committee* and the *Randolph Chamber of Commerce*, the event was a huge success. **Henry M. Cooke, IV** and **Vincent Lombardo** co-chaired the evening events. **Donna McGuire**, **Arnie Rosenthal** and **Jane Hess** brought in some new activities such as wine tasting and an auction. Proceeds go towards *Save Stetson Hall* and the *Chamber of Commerce Scholarship Fund*.

**Beneath the Elms-** Host, **Ken Simmons** and Historian, **Henry M. Cooke IV**, continue to take viewers on a journey through Randolph's historic past. The latest installment of *Beneath the Elms* took a tour of the Tower Hill area of Randolph. Viewers saw the *Highest Elevation Mark* in Randolph, the inside of the *Randolph Recreation Center* and a brief tour of the *Tower Hill School*. Ken and Henry are always a joy to watch as they inform and entertain viewers. Watch for other exciting episodes in the future. Keep up the great work!
