HELLO RANDOLPH -

Happy New Year 2008! We're coming up on our 10 year anniversary here at Randolph Community Television. From us and our volunteers, thanks for watching! 2008 promises to be an exciting year for RCTV as we continue to bring our viewers the best of what Randolph has to offer. While our regular meeting and event coverage continues, we are ecstatic to welcome back KEN SIMMONS and HENRY COOKE with their series "Wandering Randolph" and "Beneath The Elms." After a year hiatus, Ken and Henry are excited to bring viewers the best from Randolph's history and community. Recently, KEN SIMMONS was able to visit with smiling children and friendly faces during the "Holiday Stroll and Tree Lighting" that took place in downtown Randolph. We hope you enjoyed the show as much as we did bringing it to you.

ASCERTAINMENT HEARING -

Hard to believe that it's been almost 10 years since Randolph Community Television started its programming. Over the last decade, it has been our mission to bring viewers high quality, informative programming that focuses on our dynamic, diverse and active community. As the license with the town's current cable provider comes to an end, Randolph's Cable Advisory Committee has begun the process of ascertaining what are the town's cable television future needs. At the Selectmen 'Ascertainment Hearing', there was an outpouring of support for RCTV from citizens, state and local officials, volunteers, and town departments. A sense of accomplishment was felt from all the kind words and strong support for Randolph Community Television. This is the beginning of the negotiation process between Randolph and the current cable provider, Comcast, and the hearing lead the groundwork for the road ahead. Thank you to all who wrote letters, spoke at the ascertainment hearing, and have given their time as volunteers of RCTV. Thanks especially to all our viewers and keep tuning in to RCTV, your link to the community!
