### RCTV SPORTS

Football! Football and more Football! With a few games being actual nail biters, the Randolph High School Devils football team have been doing a great job this season.

Along with our two guest announcers from Youth Sports Broadcasters of America, thanks to **Larry Azer** for play by play announcing, **Doug Krabbenhoft** for color commentary; **Rubens Pierre & Matt Fitzgerald** on camera, **Margaret Brennan** on audio and **Alex Phillips** directing, RCTV was there to cover it all with a fully dedicated crew!

### QUALITY PROGRAMS CONTINUE -

A new Beneath the Elms, another Wandering Randolph, Cedar Hill Senior Ball, Arts in the Park, Haircut-A-Thon, three Chamber of Commerce Candidate's Forums, a Federal Census presentation, the Randolph Fire Department Engine #3 Dedication Ceremony, Selectmen Meetings, School Committee Meetings, High School Football Games, Talent Nights- the list goes on and on! 70+ hours of quality programming and volunteers just like you were there to cover them. THANK YOU!

Now don't stop there! Holiday performances are coming up at the schools, Winter Sports are being scheduled and more series programs are in the works for you to keep going and warm this winter! Not sure what event is next? If you're a trained RCTV certified volunteer, check out the event calendar on our website at [www.randolphcommunitytv.com](http://www.randolphcommunitytv.com) or give us a call and let us know what you want to cover!

### NOW STREAMING LIVE-

We are very excited about this new capability as it gets us a step closer into entering the digital arena and full integration of Cable TV with Internet content delivery. If you didn't see it yet, we now have the ability to stream any one of our three channels live over the Internet to anyone wishing to tune in wherever they are. This integration has been the aim of computer and communications developers for over 30 years and it is nice to see RCTV's small local TV organization now offering services done by the largest media companies in the world.

### NEW VOLUNTEERS

A group of new volunteers have recently completed RCTV's Introductory Workshop series focused on studio and field production. Congratulations goes out to; **Arthur Almeida, Bridgett Brown, Joann Brown, Leneum Hands, Kathleen Hicks, Tom Kidd, Albertini Louissaint, & Lakeisha Ruffin**. These new motivated volunteers are now ready and very eager to get in to the RCTV production loop.

Something is always happening in Randolph that needs TV coverage: if it's a dedication, a ceremony, a candidate's night, sporting event or a political debate we now have dedicated volunteers who help produce television programming. Welcome aboard!
