RCTV's New Randolph Town Hall Control Room

RCTV continues its coverage of Town Council meetings with a brand new control room located in the Chapin Hall room at Randolph Town Hall. Four robotic high-definition cameras are fed into a brand new video switcher. It's amazing that only one camera controller operates all four cameras. Also, RCTV can now directly take a feed from a PowerPoint presentation shown during Town Council meetings. The robotic cameras and video switcher will also be used for Town Election Coverage.
