**Hello from RCTV!**- Greetings everyone! We here at RCTV hope you are having a great Summer! From covering the Randolph High School Graduation to beating the heat at this year's Night Before the 4th Parade, this has been a very busy Summer at RCTV. "Beneath the Elms" visited the Randolph Public Works and was able to give viewers an inside view on how our water system works. Special thanks to **David Zecchini** for showing us all the inner workings. "Beneath the Elms" also returned to historic Stetson Hall to see all the great progress in its restoration. We hope you've been enjoying all these terrific events and specials as much as we have bringing them to you. Randolph is a special community and we're proud to be a part

**Concerts on the Gazebo-** Summertime means musical Tuesday nights at the Williams Gazebo in Randolph. Lesly Freed and the Randolph Community Arts Council have brought us some great performers and a variety of different musical styles. People relaxing on blankets, children dancing, and enjoyable music are the trademarks for a Concert on the Gazebo and RCTV brings all this to our viewers. We role our production van out every week and set up to bring the entertainment live on channel 8. We have a great crew this year and really couldn't do it without them. They help us with set-up and breakdown and do a terrific job behind the camera. They are: **Paul Duddy, Eric Gladstone, Eddie Duddy, David Carty, Aaron Fellman, and Alex Phillips.**

**Night Before the 4th 2002-** Every year, Randolph is treated to one of the best parades and fireworks display on the South Shore and every year, RCTV is there to bring it home to our viewers. If you watched, you know that this was one of the hottest years on record! Sweat and sunburns aside, RCTV was able to bring a terrific day of fun to the small screen. **Larry Azer** and **Brian Howard** hosted the event and gave viewers great insight on the various floats and bands. Special thanks to **Sheila Swanwick** for providing some inside information. Brian Howard gave viewers a behind the scenes look at this year's fireworks display with the help of Randolph Fire Rescue's **Paul Lyons** and Atlas Advanced Pyrotechnic's **Bill Fisher**. He also met up with parade chairman, **James Campbell**, at the head of the parade who gave us a look at what it takes to organize such a huge event. Despite the heat, we all had blast and really enjoyed the show...we hope you did, too. As always, many thanks to our volunteers, **Jean Duddy, Paul Duddy, Oscar Jackson, Eric Gladstone, Aaron Fellman, David Carty, Mike McDonald, Harris Bloomwald, and David LaCivita** on a job well done. Way to go everybody, see you next year!

**Randolph High School Graduation 2002-** Once again this June, it was time say goodbye and wish good luck to Randolph's graduating Senior Class. With heartfelt words of encouragement from the administration and each other, the seniors prepared to enter the "real" world. RCTV brought this event home live along with the Randolph Senior Video. This year's Senior Video was created by RCTV's own volunteer (and graduating senior), **Aaron Fellman**, with the help of the RCTV staff. He did a great job and we wish him and his entire class good luck with their future endeavors. Helping us with our coverage this year were: **Eric Gladstone, Paul Duddy, Alex Phillips, Eddie Duddy, Alex Awoke, Brandon Phillips, Jean Duddy, and Robert Stone.**
